

**Building God's Wall**  
RECLAIMING YOUR  
SPIRITUAL HIGH GROUND  
by Nevin Bass

## *The Need for Spiritual Renewal During Times of Darkness*

At any given moment, you can turn on the television or computer, or read a newspaper headline to witness a world in upheaval. But in the midst of everyday chaos—guided by the scriptural teachings of the Book of Nehemiah—author, teacher, and pastor Nevin Bass offers hope for those who want to rebuild their spirits and their relationship with God.

His book *Building God's Wall: Reclaiming Your Spiritual High Ground* is a how-to guide for spiritual restoration, and it offers the unique view of learning about the process through the eyes of Nehemiah. The author explains that the Book of Nehemiah concerns the rebuilding and reconsecration of God's chosen city by God's chosen people. The obvious application of Nehemiah to believers today relates to the reestablishment of boundaries and reconsecration of the spiritual self.

In this book, you'll learn:

- How Nehemiah can teach believers today how to strengthen their relationship with the Lord
- Why the reestablishment of boundaries can lead to restoration and reconsecration
- How to address the causes of spiritual failure—and correct them
- What the enemies of renewal are and strategies for dealing with them

This book is an excellent resource for those struggling to recover from failure, as well as those who minister to them. It is also an excellent tool for leaders of small fellowship groups and Bible studies. Use the form below to order your copy today!
